Your legal services plan is a very important benefit that you receive as a member of your union which allows you access to legal counsel in your time of need. This seminar is designed to help you navigate your legal services plan to determine:

What is covered; what is not covered; who is covered; and how to implement this plan. Copies of the plan booklet will be provided. This is information that you will need and want to share with a family member. This is one of the many services under your Legal Plan. Please take advantage by attending.

Note: Seminars are open to all legal service plan participants. Spouse and covered dependents are welcome.
